AIRSPACE G1

AIRSPACE AIR PILLOW MACHINE

The AirSpace G1 machine is a powerful performer that is extremely easy to use. It's easy to operate the controls as well as change the wear parts in the machine. With such a long product lifespan, the G1 makes for a perfect void-fill air pillow machine. The G1 produces pillows in various sizes and film thickness to provide the versatility needed in today's marketplace. The G1 has market-proven reliability and performance that's hard to beat.

FEATURES & BENEFITS

- Ideal for low to medium volume applications
- Comes with factory presets
- Possesses a simple interface
- Operator friendly with an easy three step process to load the film onto the machine
- Reliable and durable
- Does not require tools to change the main ware parts

AIRSPACE G1

POLYAIR'S AIRSPACE FILM PROGRAM
